Middleton Railway, Leeds

Two miles south of Leeds city centre, adjacent to the M621 junction 5, and established by the first British railway Act of Parliament in 1758, the Railway has operated continuously since that time and can claim to be "the world's oldest working railway!" It also played host to the first commercially successful, revenue earning, steam locomotives which entered service in 1812. In 1960 it was the first standard gauge railway to be taken over by a preservation society. Passenger services run from **Moor Road**, Hunslet Leeds LS10 2JQ to **Middleton Park/South Leeds Stadium** each weekend and Bank Holidays from Easter to Christmas, hauled by steam and diesel locomotives.

Open **Saturdays, Sundays and Bank Holidays** with extended times for special events.

Tickets

Before you board the train

At staffed stations you must have a valid ticket or pass for your journey. This is a legal requirement which applies when the ticket office is open. When boarding at unstaffed stations, you must buy your ticket on the train unless you already have a valid ticket or pass.

Buying your ticket

You can buy your ticket from station ticket offices, quickfare ticket machines and some travel agents. If your journey starts at a station where no staff are in attendance, you can buy your ticket from the conductor on the train. Please purchase a ticket for the journey you are making as you risk prosecution if you travel without a valid ticket or pass.

Through ticketing is available from the National Rail network to the **Keighley & Worth Valley Railway**, and to **Leeds Bradford International Airport** using bus service 757 from and to Leeds station.

Plusbus

You can buy a ticket for both your rail journey and bus travel in one simple go - it's called Plusbus.

Plusbus is a discount price bus pass that you buy with your train ticket. It gives you unlimited bus travel either at the start, the end, or both ends of your train travel on most local bus services where Plusbus is available.

For more information on Plusbus, where it is available and the areas it covers, pick up a leaflet from your local staffed rail station or visit www.plusbus.info

Disabled Travellers

The train operators will do all they can to assist with your journey. See contact details above.

Taxis from Stations

At all main stations there is a taxi rank outside the station from which taxis are normally available. At many other stations there is a taxi rank or cab office nearby. To find out more information to assist your journey you can download the Traintaxi guide from www.traintaxi.co.uk. This gives information for all stations on the national rail network, including names and contact details of cab firms to enable pre-booking.

Smoking Policy

All trains and stations are now designated as no smoking areas throughout. Please respect other passengers' rights to enjoy a smoke free environment.

Passenger Representation

If you have a complaint that has not been dealt with to your satisfaction, you can contact the national rail passenger watchdog Transport Focus:
